Dear Mr. Barak,

Thank you for your email. This information has been transmitted to the Prime Minister and he gave an order to Mr. Bishimbayev to solve this issue. Mr. Bishimbayev now is working on it. Please give us another few days to check where is the problem and facilitate the whole process. I will keep you updated and inform you as soon as I get a confirmation from Baiterek that this issue has been resolved successfully.

I stay in touch,

Best regards,

Anuar

Dear Anwar

I trust this email finds you well.

I've been to Astana last week and briefly met with the Prime Minister and raised with him the following problem.

Unlike the other members of the IIAC advisory board, who are paid through Samruk, I'm paid through Baitarek.

For some three months now they stopped paying. In spite the fact that I sent them , upon their requests, several reports regarding my services within the contract, they now want a confirmation from the other members of the IIAC who work with Samruk.

The Prime Minister told me he will address it, and solve it,immediately after the weekend.

Please make sure it happens. And update me.

I proposed to the Prime Minister to talk to Bashimbayev, or just move my contract for 2016 to Samruk as well.

I've also ask Baitarek to change the company name on my contract from Hyperion LTd. to Ergo LTd. . Both entities are companies under my sole ownership. For reasons I can not fathom they did not do it as well.

I am proud and glad to help the Republic of Kazakhstan. But,please try to help me on these small obstacles.

If you need any further information don't hesitate to call me on
